I thought you said you wanted to be part of this - but given the hot button -- just wanted you to know they are pushing for a call to discuss -- and soon! I've got a conflict on the bi-weekly time but am working on it to join - might be about 15 minutes late but I figure you can handle the NB part -- :)

Subject: CSM update call

Alice: I would like to propose a conference call for you, Bruce, and AmyMarie to discuss the plan for updating the CSM. I have checked and they are available either tomorrow (except for 3-4pm) or Thursday (anytime).

If you are available, please let me know what time works for you and I will send out a dial-in number. Thank you.

Regards, Scott
